Editorial

It is not often that Village Voice prints bad news, because it is rare that we ever receive any, but unfortunately, this edition carries a very sad article submitted by the Cricket Club as well as an item from the Parish Council. I feel that it is important in Village Voice that we report both good and bad news.

There is a lot of good news in this edition, not least, the amazing amount of money being raised for the Hibaldstow Room at Lindsey Lodge and more exciting forthcoming events.

Please do contact us with your news and any items you think might interest our readers.

Sue Mayers - Editor.

From "Inventories of Church Bells and Plate" in the Public Record Office, dated May 19th 1953, it appears that Hibaldstow church had three bells, one sanctus bell and two chalices. Robert Layke was the vicar and Robert Sledman and Thomas Corbryg were churchwardens.

Every year those of us who use the village hall and playing fields are exposed to a different generation of youngsters. Most of the kids really are very decent but every year, we are exposed to one or two who test our patience.

This year we have a particularly unpleasant few individuals. Last autumn the cricket containers were broken in to by a chap from near Doncaster. He broke the lock on the cricket score hut. Rather than fixing it we left the door unlocked, so the village kids could sit out of the rain as nothing of value is ever stored in there. This has worked well until the end of April when somebody decided to defecate in the score hut. Who knows if this was a kid or an adult, but in either case they can have no self-respect. They didn't clean themselves up after the act, let alone the hut!

A few days later we found that somebody had taken a tin of bitumen paint that was stored in the corner of the hut and spread it around the interior. I have no doubt this was not the act of an adult. Did your little darling come home around May Day with their hands or clothes marked with black paint? If so, now you know how it happened.

These are just two examples, there are many others, including a fire that almost set light to the contents of one of the containers. That would have caused thousands of pounds worth of damage.

We try really hard to work with the village kids. We were all young once. But there is a limit to how often we can turn the other cheek. This vandalism costs hundreds of pounds each year to rectify.

You may not care two hoots about the cricket club, the football club, the village hall or any other organisation but, I hope that you care about your kids and their future. Please help them grow up without a police record. Please help them to grow up as good citizens of a decent society. Please help them to help themselves, and us, by advising them against pointless vandalism. Thank you.

The meeting was held in Hibaldstow Church Hall and was not only well attended but was really lively and interesting!

Books Discussed

Blindness by José Saramago

This book was not everyone's choice as its subject matter was dark and sombre, however for those who had read it some said they would not have read it, unless for the Book Club. One person said that she found it an excellent read and found it compelling. Generally the book was given a mixed reaction.

It was described as a challenging, intriguing and harrowing book which some found difficult to get into. The book deals with an epidemic of blindness and is a social commentary on how humans respond and react when normal life is put on hold. It is a study on how humanity would react to such a situation and explores man's inhumanity to man and the breakdown of society. Someone mentioned it was like being blind to your own personality, and how blindness made them all vulnerable. It is written with some skill as the author has not given people names, but referred to them as individuals, such as the Doctor or the Doctor's wife. Some people did not realise the book contained no named character's. The city in which it is set is nameless so it could be anywhere. The text is written with no speech marks, the sentences run into each other so lack of paragraphs etc.

The lack of speech marks, made it confusing to know who was talking. It was interesting to note that the blind characters themselves found it difficult to work out who was talking. It raised a lot of unanswered questions and gave food for thought around moral issues, for example the Doctor's wife who put her principles aside to killed someone to save/ protect other women. The Doctor's wife was the only character who was left 'seeing' and she took on the role of looking after everyone.

Someone talked about a theme of uncleanliness and excrement pervading the book. The characters were forever wading through excrement (one reader felt that the book focused too heavily on this matter). It was notable how quickly things could deteriorate; they were all filthy as they found it difficult to keep clean. We take for granted having a shower/bath and being independent. This lead to having a general discussion on toilets, bathrooms, and prior to modern convenience's having a cooper bath before the fire and outside loo's.

The author has written a sequel to this book called "Seeing".
The scores for this book were on a range between 4/10 and 10/10. Once again, a book which prompted a great diversity of opinions.

Members were asked to bring along a book title which had meant a lot to them and to give or not give a reason. It was fascinating and as always with the Book Club showed a great diversity on book choices.

Author	Book Title	Author	Book Title
Louisa May Alcott	Little Women	M.M.Kaye	The Far Pavilions
Kate Atkinson	A God in Ruins	Vikram Seth	A Suitable Boy
Jane Austen	Pride and Prejudice	Eric Malpass	Mornings at 7
Paul Britton	The Jig Saw Men	Arthur Mee	One Thousand Beautiful Things
Diney Costeloe	The Girl With No Name	Margaret Mitchell	Gone With the Wind
E M. Delefield	Diary of a Provincial Lady	Marcia Preston	West of the Wall
Gerald Durrell	My Family and Other Animals	Kate Riordan	The Shadow Hours
Georgia Hampton	Desire	C. J. Sansom	Dissolution (Shardlake Series 6 books in all)
Rachel Hore	A Week in Paris The Silent Tide	Alice Sebold	The Lovely Bones
John Irving	A Prayer for Owen Meany	Sidney Sheldon	Nothing Lasts Forever Tell Me Your Dreams
Doroth Koomson	The Rose Petal Beach	Hetty Verolme	The Children's House of Belsen

There were other recommendations including The Silk Roads by Peter Frankopan and The Stranger in My House by Adele Parks. It was so interesting to hear why books had been chosen. One was because it was the first book read at boarding school, chosen for SILENT reading. It caused the reader to laugh so much that she was sent to the music room for the remainder of the afternoon where she could continue to laugh her head off!!

Lindsey Lodge Hospice '**Sponsor a Patient Room**'

Fundraising is continuing at a pace for the 'Sponsor a Patient Room' programme at Lindsey Lodge Hospice. A number of the hospice's older rooms are to be refurbished, and as a result of activities in the village one of the rooms will become

known as '**The Hibaldstow Room**'

Two recent events have added considerable amounts to the running total. **Thank you** to all who attended the **Good Friday Breakfast** at the Old School House with a staggering **£701.76** raised on the day.

A **huge thank you** to all of the helpers on the day, without whom none of it would have been possible. It was a great day all round and the amount raised went to pushing the overall total even further to our target

On **Saturday 29th April** a packed Village Hall watched The Brigg Singers perform a Spring Concert with **£738.55** being raised. The audience enjoyed a varied programme which was interspersed with a variety of solo performances.

The amount currently raised stands at **£2716.66** meaning that the initial target of £2000 to refurbish a room has already been exceeded with additional monies raised going towards the cost of a bed (£4000) for the room.

The next planned events are:

- Summer Barbeque on **Saturday 8th July**, starting at 5.00pm. Tickets are strictly limited to 50 and cost £10 each. For further details please contact **David Carrick** on **01652 656875**.
- FreeStyle Dance on **Saturday 16th September**. This is at The Angel Suite, Brigg. For tickets and further information please call **Joyce** on **01652 650379**

If you are planning your own fund raising event, which can be anything from a coffee morning for friends to something larger such as a sponsored walk or, you would like to be involved with the events already planned, please contact any of the following people:

David Carrick 656875; Sue Bilson 653904; Ruth Wilkinson 651358; Angela Smith 654229; Rachel Robinson 07950 505659

Donations can also be made via the **Hibaldstow Room 'Just Giving Page'** where you can also find regular updates of forthcoming events and the current total.

1st Hibaldstow & Scawby Scout Group

Want to Join Us?

If you're aged between 6 and 18 and think you might like to join us, please contact us (details below) or pop into the Church or Village Hall on a Monday evening to find out more details. Also, if you are over 18 and can spare a few hours now and then, there is always a job that wants doing, give us a ring, or pop in one Monday, we're nice people really.

Clothing Collection – Still Collecting!

We continue to collect clothing to raise funds to update and replace our Group's equipment. As ever we would like your help collecting **textiles**. This includes; **clothes, bags, shoes** etc. Either; give it to a Beaver, Cub, Scout or Explorer, alternatively bring it to the Village Hall on a Monday evening (during term time) or give one of the leaders a ring and we'll happily collect it. This helps raise nearly £1000 per year for the Group, which makes a **huge difference** to the activities we can run.

If you have any queries about anything to do with Beavers, Cubs, Scouts or Explorers, then please contact Alan Smith (Group Scout Leader) on 01652 654229.

1st Hibaldstow Brownies

What are Brownies?

Brownies are for girls aged between about 7 and 10 years old. Brownies are part of the Guide movement, which is the biggest youth organisation in the country. At Brownies we use games, crafts and other activities to create a fun packed programme that aims to help the development of our young girls. We try to supplement our weekly meetings with days out and trips away. **Hibaldstow Brownies** has been operating for many years. We meet on Monday evenings from 6:00pm – 7:30pm in Hibaldstow School. If you think you might know someone who may be interested in joining then either give me a ring or come along one Monday night.

HIBALDSTOW ASTRONOMICAL SOCIETY

The night sky is dominated by the Jupiter. It is the largest planet in our solar system and is the brightest in the night sky at the moment. A view through a telescope will show the striped cloud system and its four large moons. These moons are in constant motion and change position each night. Just one of the sights enjoyed by our members.

Following a grant from the Brigg Bio-Mass Plant, our society has just taken delivery of our new Solar Telescope that lets us view our own star the Sun in complete safety. Sights that are usually only visible during a total eclipse can now be seen on any sunny day. These telescopes are quite expensive, our system cost £1400 so getting that grant was very helpful. Everyone should take care when looking at the Sun as damage to the eyes will be caused and use of any binoculars or ordinary telescopes will cause serious damage.

Whilst we are a members society, guests are always welcome to come to our meetings. Our admission charge for guests will be £3 when we have a speaker otherwise it is the usual £2.

Our monthly meetings are normally held on the last Wednesday of each month in the Church Hall with doors open at 7.15pm for a 7.30pm start. We also have a yearly membership subscription scheme of £10. It is always advisable to check beforehand as we sometimes have to change the meeting dates at short notice. For more information please contact:-

Tony on 01652 659839 or email ackland.tony@gmail.com

Gardening

Hibaldstow Gardening Club members were well entertained at the April meeting with Sandra Bright giving an amusing and revealing talk on the background to the B.B.C. Allotment Competition where she finished as runner up.

Having now met and listened to Sandra

it is clear why she was selected as a contestant.

Sandra will be returning to the village in early July to judge the village garden competition.

The next club meeting will be **Tuesday 12th September** in the Church Hall.

Hibaldstow

The **31st Annual Horticulture, Bakery and Craft Show** will be held on **Sunday 16th July** in the Village Hall. Opening at 2pm with prizes awarded at 3.30pm.

Entry on the day is free (donations accepted). Don't forget there is a range of classes for vegetables, flowers, fruit, bakery, craft, flower arranging, farmers' crops, photography and children under 5's to 15 years.

Schedules for the show will be available shortly and will be circulated to previous entrants and will be available in local retail premises.

New to the village or haven't been to the show before? Why not give it a go or at least come and have a browse around on the day. You will find everyone welcoming and helpful.

Pick up a bargain at the auction that follows the prize giving, or just have a sit down and enjoy a cup of tea and a biscuit.

On the show day we will announce the winners of the garden competitions for front gardens, hanging baskets, tubs and gardens overall. Entries are not required except for the overall garden when you should notify

Ena Fish on 01652 656241 or Bryan Sheppard on 01652 653754

by the **1st July** if you wish your garden to be judged.

We would like to thank our sponsors, Techrete (UK) Ltd., and Kirton Concrete Services for their continued support in promoting these competitions. It feels right to encourage residents to have nice looking gardens.

We would like to thank everyone who helped clear up after last year's show. The small hard working committee appreciated all the help.

Submitted by Bryan Sheppard.

To plant a garden is to believe in tomorrow.

Sunshine on **Brigg Tennis Club's Open Day**

After a chilly start, the sun came out and shone brightly on Brigg Tennis Club's Open day. It was held on Saturday April 22nd on the new courts at the recently completed Brigg Recreation Ground facility. Members of the public as well as club members were welcomed and encouraged to take up a racket and give tennis a go.

Junior coaching took place in the morning before special guest and promising player Sean Hodkin arrived to give a demonstration of power hitting and accuracy. Sean is the U18 British No 1, comes from Scunthorpe and was a delightful addition to the day. He is a great ambassador for the sport and certainly provided a positive role model for both young and old. Juniors and Seniors lined up to rally with him. Members from other local clubs supported the event, as well as Tony Stamp from the LTA. Refreshments were available in the club house and most members were involved in some role or other – a good team event, and showcase for the club.

Details of membership can be found on the club website

www.briggtennis.co.uk,

their **Facebook page** or telephone the secretary on **01652 653216**.

Failing that, why not wander down on senior nights Tuesdays or juniors on Wednesdays and introduce yourself. A warm welcome awaits.

A point of view should not be dismissed merely because it is a religious view. In fact, only religious viewpoints make sense because without a belief in God, concepts like good and bad, and right and wrong cease to have any objective meaning: they simply describe whether we like something or not.

However you decide to vote, and whatever the result, the Christian prayer to God remains the same "thy kingdom come on earth, as it is in heaven."

Rev. David Eames

Thank You

Jun / July 2017 Article by Rev. David Eames

You may agree with Brenda from Bristol, and when thinking about the forthcoming General Election exclaim "Not another one!" But whether we like it or not we are having another election. Brenda's reaction perhaps reflects a more widely held weariness about yet another chance to 'have our say'. That is why the Archbishops of Canterbury and York wrote in their recent letter to the Parishes and Chaplaincies of the Church of England that one of their obligations "at these times is to set aside apathy and cynicism and to participate, and encourage others to do the same."

It is easy to take for granted the privilege we have to vote in democratic elections but the example of the Suffragettes and the Chartists to name just a couple should remind us that the right to vote was one that had to be fought for. And we only have to look around the world to see places where free and fair elections are not possible. However, that doesn't mean that we can be so naïve as to think that democracy is a perfect system nor as arrogant as to think that we should impose Western style democracy on other nations. But here in this country we do have the right to vote and we should use it.

The Archbishops also say that Christians have the higher obligation to pray for those standing for office, and to continue to pray for those who are elected. They encourage us "to engage prayerfully with the candidates and issues in this election" and to "recognise the enormous responsibilities and the vast complexity of the issues that our political leaders face. We are constantly reminded of the personal costs and burdens carried by those in political life and by their families." This will involve the criticising of policies for their logical, economic and moral flaws and perhaps holding these policies up for ridicule but in our examination of the issues and policies we should not forget that the politicians are all human beings

However, importantly, the Archbishops say that "Contemporary politics needs to re-evaluate the importance of religious belief." This might seem an obvious thing for them to say but their further statements show that this is deeper than saying that religious belief should be respected. They say "Religious belief is the well-spring for the virtues and practices that make for good individuals, strong relationships and flourishing communities" and "The assumptions of secularism are not a reliable guide to the way the world works." They are reminding us that none of us are neutral or impartial in our outlook, all of our actions and thoughts stem from particular worldviews; some religious, some non-religious.

SAVE THE DATE

July 16th is a date for your diary

As readers may already know, this year marks 25 years of Skydive Hibaldstow being in business. To celebrate we are opening up to the public once again following the success of our open day back in 2014 when we celebrated the new building we have. We are working in conjunction with North Lincs Council to help celebrate this and are hosting an **Aviation Festival**. A number of visitors are already confirmed including a hot air balloon, visits from Kirton gliding club and many other local business and groups, **the event is free to attend** and will be open all day from **8am until late**. We are working hard at the time of writing to confirm a number of other visitors which include historic aircraft and vehicles. We will post further details of the event on our website -

www.skydiving.co.uk

and our **facebook page**

"Skydive Hibaldstow".

CARING FOR YOUR COMMUNITY

Raising funds enables us to continue our commitment in serving the communities in which we live. *Caring for Your Community* is our key objective. Glanford and Lindsey Lions Club provide, through our various activities, support where it is needed and we will continue to support groups and individuals who deserve and require help.

100 YEARS OF SERVICE

A huge **THANK YOU** to North Lincolnshire Council, especially the **Mayor, Councillor Trevor Foster**, for the recognising of 100 years of Service provided by Lions Clubs International.

WEBSITE

If you would like to know more about Glanford and Lindsey Lions Club you can visit our Club's website www.glanfordlindsey.lions105e.org.uk to keep up to date with our Club News or contact **Lion Alan Hall** on **01652 655470**

BRIGG HERITAGE CENTRE

Brigg Heritage Centre looks to enter a new phase as it welcomes local man, **Robert Jackson** as its new Manager. Robert has a background in education, and is particularly keen to encourage schools, children's centres and pre-school groups to

come along to the Centre and engage in new exciting project ideas. It is also hoped that he and volunteers will make outreach visits to show just what the Centre has to offer.

Other than Robert, the Heritage Centre **relies entirely** on local volunteers to carry out its activities, and he is launching a **recruitment campaign** to try to boost the numbers. You can choose to show the general public around the Centre, or perhaps get involved in craft activities and workshops with children. In fact there is something for everyone who would be interested in joining a small, very friendly team of volunteers.

Volunteer

If you are interested then please contact **Robert** on **01724 296771.**

VOLUNTEERS NEEDED!

Alternatively, why not pop along to the Centre during its usual opening times of **Tuesdays, Thursdays and Fridays** (10.00 – 2.00) or **Saturdays** (10.00 – 3.00).

Glanford and Lindsey Lions Club

Without **YOUR** help we would not be able to assist the worthy causes we do; so a huge **THANK YOU** for the support you give us.

CENTENNIAL SERVICE CHALLENGE

Lions Clubs International are celebrating 100 years of service in 2017 and as part of recognising our 100 years of Service on 7th June we are aiming to cross the Humber Bridge with around 20,500 cans of food which will then be donated to the local needy. These will include food banks and food kitchens. If you can spare any food tins you would like to donate to this worthy cause please let any member of Glanford and Lindsey Lions know and we will collect them.

THE FORGE FOOD DONATIONS

We continue to donate food to the Forge in Scunthorpe on a weekly basis.

CHARITY GOLF DAY
