The community newspaper for Hibaldstow

Hello again: Welcome to the latest edition of the Village Voice, We hope there is something of interest for everyone. Always remember that contributions are always welcome; perhaps an article about a recent event, or an update from your club or organisation, share a joke, or a quiz. We'll accommodate whatever we can. Contact details are on the front cover.

The deadline for contributions for the next edition of the Village Voice is:

Tuesday 9th March 2021.

It's not all Doom and Gloom

Each new edition seems to herald a new lockdown, but are we unhappy? Not a bit!

If you're feeling down, do what we do; we just take a peek at the new look Village Voice and glory at that new front cover. We thought that after many years with the old cover it was time for a revamp; new year, new lockdown, new cover. We need to thank Graham Ellwood and Alan Keen for producing the wonderful pictures of Hibaldstow land marks that now adorn the front cover.

Get used to the new look, because if past performance is any sort of benchmark, then this look will be with us for another 25 years!

With this lockdown we didn't feel that it was right to ask our distributors to deliver door-to-door. It seemed to be against the governments 'stay at home' message, especially as many of our distributors are not quite as young as they used to be! Hence it's been an electronic distribution with some physical copies available at the village shops. If you have family, friends or neighbours who can't access the electronic versions, perhaps you can print one out and pass them a copy.

Hopefully the April edition will fall on everyone's door mat as usual. Finers crossed!

Colin and Alan

Ultra Fast Broadband

North Lincolnshire Council is working with telecoms providers to bring ultrafast broadband to the area and needs local people to play their part by completing a simple form. The council is asking people and businesses to register their interest in ultrafast broadband by going to the council website below and filling in the form.

<https://www.northlincs.gov.uk/news/play-your-part-to-increase-broadband-speeds-in-north-lincolnshire/>

Ultrafast broadband provides download speeds of up to 1Gbps (1000Mbps). It is also known as 'full fibre', 'fibre to the premises' and 'fibre to the home'. If people register, there will be no obligation to buy into any service that may become available. Telecoms providers and the Government would fund any upgrade to the network. If installed people can then choose whether or not to purchase an ultrafast broadband

History of Hibaldstow - The Skeletons of Greenfield Farm

Greenfield Farm, on West Street, was probably named due to it being sited on or near the old village green, which had been enclosed during the redistribution of land in the late 18th century.

James Skelton of Kelsey, farmed here in 1823, he appears in the Poll book of Hibaldstow, also his son George Bennett Skelton was born here that year. George showed early signs of promise when, aged 21, he won a silver medal, value £2, given by the North Lincs Agricultural Society for the 'farmer's son who ploughed in the best manner, half an acre of land' in the annual ploughing match.

George took over Greenfield in 1855, on his father's death, he married Ann Hill in 1848, and been farming 8 acres at Stonepit house. At Greenfield he had 300 acres, and employed 5 men and 2 boys. The couple had 2 daughters, and in July 1861 their son George, was born. Two months later George Bennett Skelton died, leaving his wife Ann to run the farm, and bring up the three children.

Ann Skelton died in 1872, and young George left school, lodging at a farm in Raithby near Spilsby, as a 'farm pupil'. When he returned to the village, and took over Greenfield Farm, he married Joanna Trafford, whose father farmed Beckside. In 1891 George advertised for a farm foreman.

George bred and showed horses, cattle and sheep at local shows, he also was a show judge. Figuring largely in the life of the village, George was elected a Rural District Councillor, he also served as chairman of the school board, and the parish council. In 1900 he gave 8 lbs of beef to everyone in the parish in receipt of parish relief.

In 1917 Harold Robinson took over Greenfield. George and Joanna Skelton had moved to Beckside, a smallholding, with their unmarried daughter Martha. The couple died in 1941.

Shoebox Appeal 2021

Yes we know it's only February. It only seems like yesterday that we took over 100 Christmas gift shoeboxes from Hibaldstow to the local collection points. However, it's never too early to start putting things aside for the next years appeal. The sooner we start, the more boxes we can send.

When you're shopping, why not sneak an extra tube of toothpaste, small toy, or bar of soap into your trolley and start filling your box now. Do you knit? Hats, gloves and scarves are a really welcome addition to a gift box.

Remember you don't have to fill a box yourself, if you want to make or collect items, they can be combined with other peoples contributions to make a box.

APPEAL

Remember it's never too early to start collecting for next Christmas' appeal!

Glanford and Lindsey Lions

Without **YOUR** help we would not be able to assist the worthy causes we do; so a huge **THANK YOU** for the support you give us.

SANTA CAME TO TOWN

Unfortunately, due to the restrictions, Santa was not able to come round the village in the same way as in previous years but we were able to escort him round the village so he could wave to the children and find out where they lived ready for his deliveries on Christmas Eve.

Hopefully Santa was able to bring the presents everyone wanted.

CHRISTMAS DINNER

We would like to thank The Wortley House Hotel and all their staff for providing a Christmas Dinner for 50 homeless and vulnerable people at The Forge Project on Cottage Beck Road.

CHRISTMAS HAMPERS

This year again we have been able to provide Christmas Hampers to people within the villages and towns we cover.

HOPE HOUSE MEAL DELIVERIES

Members of Glanford and Lindsey Lions have been pleased to be able to work with Hope House and Boson Family Support in assisting with the delivery of the 5000 meals over the last 34 weeks.

VACCINATION CENTRES

Members from local Lions Clubs have been assisting with marshalling at the Ironstone Centre at Scunthorpe and the Riverside Surgery at Brigg to help with the vaccination programme.

LOCAL INITIATIVES

Lions Message in a Bottle is a voluntary scheme for anyone living at home, who may be reassured to know that essential information would be readily available to the Emergency Services should they suffer an accident or sudden illness. The scheme ensures that vital information is available not only to identify you, but to advise of relevant illnesses, allergies, medication and contact addresses. These bottles are provided free of charge.

Lions Message in a Wallet complements the Message in a Bottle, but the information is provided in a small plastic wallet which can be kept in your wallet or purse. The vital information is readily available to the Emergency Services in their hour of need. Again these are provided free of charge.

Plugsters is a device that is fitted to a 13 amp electrical plug to aid extracting the plug safely from the socket. This helps people who find it difficult to grip a plug and pull it out the socket. Once again these are supplied free of charge by Glanford & Lindsey Lions Club.

Spectacle Collection: We collect used spectacles for re-cycling. They are shipped directly to Lions Eye Clinics in such places as Papua New Guinea, Ghana, Nigeria and Nepal. We also support volunteers from the 'Unite for Sight' charity with the supply of spectacles to take with them on missions to countries across the world.

Trauma Lions: A small soft toy Lion is provided by Glanford & Lindsey Lions Club to Scunthorpe Hospital A&E and Disney Ward. These soft toys can be given out by the nurses as comfort toys to brave young children who have been admitted into hospital. The children get to keep these toy Lions and can bring them home when discharged from hospital.

Wash Bags: Again Glanford & Lindsey Lions Club provide small wash bags to Scunthorpe Hospital for the nurses to give to parents who, in emergencies, stay with their children overnight and patients isolated from their families due to COVID.

With sunset at 4.44pm at 1st Feb there is plenty of time for stargazing before even the earliest of bedtimes this month. It's a great time of year to spot Orion. Betelgeuse (Beetle Juice) is his red(ish) left shoulder and Bellatrix his right (looking up from his belt), Orion also boasts a massively bright right foot in the form of a blue supergiant Rigel.

In March comes the Spring Equinox on the 20th, a supermoon on the 28th and by the end of the month sunset falls at 7.35pm giving us an extra 4 hours daylight!

Owing to the pandemic we are currently holding our meetings online, what better an opportunity to come along to one of our meetings from the comfort of your own home. You can currently join our talks as a non-member for free, just email hibaldstowastro11@gmail.com for the Zoom link.

Is this State Enforced Lent?

by Reverend David Eames
rev.eames@gmail.com, 01652 600860

Lent is traditionally a time when we forego pleasures and treats in and detach ourselves from the temptations of 'the world, the flesh and the devil' and focus on God and the blessings he brings. Whilst we may not be so

good at the second part of that, we have been going without pleasures and treats for a year now – lockdown and COVID restrictions are almost a state-enforced Lent!

This imposed 'giving-up' is causing a deeper mental health issue of people giving up on life: the strain of coping with uncertain futures or job prospects; added to the worry about catching the virus, or loved ones catching it; on top of trying to get children to learn at home; all this can become too much. Help might be sought in alcohol or drugs, or even just wanting to hide in a dark corner and cry for hours. If you do feel like this, please find someone to talk to, or contact me, or pop into church any time we're open.

But perhaps there is a healthier way to 'give up'. I read an article last year that had some good advice about some things that we should be giving up. Firstly, "give up thinking you are the only one feeling this way, struggling this way. You are not alone. It is normal in a time of huge uncertainty to feel somewhat lost, frustrated, fed up." One of the benefits of talking to people when you're feeling that everything is getting on top of you is that you find out that others are feeling the same way. Around thirty or so years after Jesus' death, resurrection and ascension, Peter wrote to some groups of Christians who were being persecuted for their faith in Jesus with these words: "you know that the family of believers throughout the world is undergoing the same kind of sufferings" (1 Peter 5:9). Give up feeling you are alone.

Secondly, give up trying to come up with a grand plan, and instead focus on some small wins. This is particularly helpful when trying to teach children at home – getting a child to do twenty minutes of work happily is better than forcing them to do four hours of work reluctantly. It would certainly be better for the family atmosphere!! But all of us are tempted to create big dreams for ourselves to give ourselves hope and purpose, things like "In a few months time, when this pandemic is over I'll go there or do that." When the circumstances change and we can't fulfil those dreams, we end up despairing – better to have small short term aims that have a realistic chance of being achieved.

Finally "give up thinking it is entirely up to you. God hasn't given up, and that is our single biggest source of encouragement. God is not surprised by anything that is happening. God is still at work, and wants to help us through." None of us as individuals can stop the spread of the virus, or prevent people dying, or save the NHS; nor can we keep all of the plates spinning in our own lives. We need the help of family and friends, which is still possible even in lockdown, and of course God is not bound by government restrictions! God knows you and loves you; God knows your situation and your struggles; turn to him for hope and help. Psalm 71 cries out to God at a time of trouble and says "Though you have made me see troubles, many and bitter, you will restore my life again; from the depths of the earth you will again bring me up".

You are a carer if you provide unpaid necessary care by looking after an ill, frail or disabled family member, friend or partner who could not otherwise manage without your support. The care can be practical, emotional or supervisory. The Carer's Support Service is here to help Carers who care for someone living in North Lincolnshire.

One of our services that we provide is 'Understanding Dementia' this is a very popular course for carers who look after people with dementia. During this time of COVID we have created an online course that carers can participate in through the internet. The themes will cover types of dementia, the brain, memory, the ageing senses, stages of the condition and different ways of communicating. The course will be over four consecutive days starting on Tuesday 26th May to Friday 29th of May from 10.30am to 12.00 on each of the four days.

We have a range of services to support Carers. If you wish to know more please telephone the Carers' Support Service on 01652 650585.
