Brigg Singers Christmas Concert

A Winter Concert presented by The Brigg Singers at a packed Hibaldstow Village Hall on Saturday 1st December raised a staggering £1000 for The Alzheimer's Society which will be used to assist with funding for the society's newly launched 'Side by Side' service in North Lincolnshire.

The evening was organised by Hibaldstow resident David Carrick who lost both his parents to Alzheimer's within 16 months of each other, and as he is also a member of Brigg Singers was able to call on his friends in the choir to stage the concert and would like to thank everyone who supported the event making it such a huge success.

Thanks a lot!

Brigg Heritage Centre

Opening hours Tuesday, Thursday and Friday

10:00am – 2:00pm and Saturday 10:00am – 3:00pm

2019 starts with a new pop up exhibition at the Heritage Centre, which will stay open until the end of March.

The Ancholme Rowing Club celebrated their 150th Anniversary in 2018 and the Club have created an impressive exhibition called “**Oar-some**” to highlight the long established and unbroken existence of the club. Brigg has a proud history of sports clubs which began in the 19th century and a visit to the Rowing Club exhibition is full of surprises! Come along to see the fun that takes place on the beautiful river which runs through our town.

The very popular Lost Heritage Craft workshops have begun again. Felting will take place in February and Watercolour painting in March. The limited places go very quickly so contact the Heritage Centre for full details of dates and times.

Farmers Market Saturdays are always busy with special children's craft workshops in the Heritage Centre and don't forget the Antique Fairs held above the Tourist Information Office in the Buttercross. Great bargains are to be found or you can take a table for selling items for £10. Enjoy tea or coffee with home-made cakes to round off your visit. The Buttercross is also available for hire for special occasions, meetings etc and is licensed for wedding ceremonies. Other meeting rooms are available for hire within the Heritage Centre itself. Guided talks and tours of the Heritage Centre for groups are also available together with guided tours around Brigg town.

Please ring the Heritage Centre on 01724 296771 if you require further details of any of the above.

We continue to increase our members in the new Rainbow unit at Scawby which is for Hibaldstow & Scawby girls, it is the youngest section of Girl Guiding for 5-7 years olds.

We are all very excited as Girl Guiding have revealed the new programme for us to offer the girls more exciting activities, games and skills for their future.

We meet in Scawby, during term time.

There is a waiting list, so if your daughter is from birth - 4 years old, please register early on the Girl Guiding website www.girlguiding.org.uk or contact us by email scawbyrainbows@gmail.com for more information.

The Book Club held its last meeting in early December. We reviewed the books that we have been reading recently, shared our favourite Christmas poems and with it being Christmas we had a shared supper.

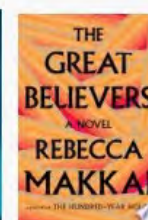

Books that we had read were discussed and scored out of 10, these were:

Only Fools and Stories by David Jason. An autobiography taking us through David Jason's career via the characters he has played, particularly Del Boy. His life prior to acting, was covered in his previous book 'My Life'. It was commented that we often forget actors are real people and that it is nice to hear something about the person behind the character and several people expressed an interest in reading his earlier book. It was clear that David devotes a great deal of time to shaping and getting into a character. His book prompted a range of scores from 4 – 9.

The Silent Companions by Laura Purcell. Newly married, newly widowed, Elsie, is sent to see out her pregnancy at her late husband's crumbling country estate, The Bridge. Elsie only has her husband's awkward cousin for company, and a deeply unsettling painted wooden figure - The Silent Companion. This gothic tale generated a lot of bodies and gore and stirred a wide range of responses from members scores again ranged from 4 to 9, with some thinking it would make a good film.

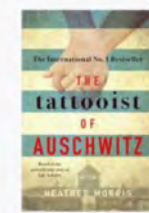

Christmas poems we shared were: 'The Elf of Christmas Present', 'Politically Correct Santa' and 'The Peppermint Stick'.

If you would like to join us, our next meeting is on Thursday 7th February at The Church Hall. If you want more details of our club please contact: heather86j@gmail.com

The books we are reading for the February meeting are:

- Turning the tide on plastic by Lucy Siegle
- The great believers by Rebecca Makkai
- The accidental wife by Rowan Coleman

Advance notice of the books we'll be reading for April:

- The tattooist of Auschwitz by Heather Morris
- The Lubetkin Legacy by Marina Lewycka

1st Hibaldstow Brownies

What are Brownies?

Brownies are for girls aged between about 7 and 10 years old. Brownies are part of the Guide movement, which is the biggest youth organisation in the country.

At Brownies we use games, crafts and other activities to create a fun packed programme that aims to help the development of our young girls. We try to supplement our weekly meetings with days out and trips away. **Hibaldstow Brownies** has been operating for many years. We meet on Monday evenings from 6:00pm – 7:30pm in Hibaldstow School. If you think you might know someone who may be interested in joining then either give me a ring or come along one Monday night.

Angela Smith - Brown Owl - 01652 654229

1st Hibaldstow & Scawby Scout Group

Want to Join Us?

If you're aged between 6 and 18 and think you might like to join us, please contact us (details below) or pop into the Church or Village Hall on a Monday evening to find out more details. Also, if you are over 18 and can spare a few hours now and then, there is always a job that wants doing, give us a ring, or pop in one Monday, we're nice people really.

Clothing Collection – Still Collecting!

We continue to collect clothing to raise funds to update and replace our Group's equipment. As ever we would like your help collecting **textiles**. This includes; **clothes, bags, shoes** etc. Either; give it to a Beaver, Cub, Scout or Explorer, alternatively bring it to the Village Hall on a Monday evening (during term time) or give one of the leaders a ring and we'll happily collect it. This helps raise nearly £1000 per year for the Group, which makes a **huge difference** to the activities we can run.

ARE you a retired professional with experience of our emergency services: if so the Blue Lights Brigade wants YOU!

A FORMER police officer is the latest recruit to offer vital help to the North Lincolnshire community, after joining our unique new volunteering project. Martin Steedman, an officer for 30 years - who walked the rural beat in Kirton Lindsey for eight of those - has been recruited by the Blue Lights Brigade, (BLB). As a result, he is working with the Humberside Fire and Rescue Service – carrying out Safe and Well checks in the more rural areas, supporting the full time officers in ensuring the most vulnerable people in our society are looked after. "I get something out of this and joined the team because I know I have life skills that could be used to do things for people," said Martin, 63. And now this vital new volunteering service is looking out for more people like Martin. BLB was officially launched in the summer, after being awarded £77,500 funding from the national Connected Communities Innovation Fund, with a further £25,000 in match funding secured. Pioneered by former Humberside police inspector Steve Lynn and his ex-colleague Steve Jones, it is the first project of its kind in Britain and was inspired by a desire to see retired professionals, over 50 years of age, put their vast experience to use across North and North East Lincolnshire. If you are retired and think you have the relevant experience, either within the emergency services or with an organisation connected to them, then please call Steve on 01472 231123 or email steve@vanel.org.uk *BLB is facilitated by VANRL, (Voluntary Action North East Lincolnshire).

 Kris Cavell - Drop Zone Manager

We are on our way for 2019 here at Skydive Hibaldstow,

some of you will have seen us taking to the skies early in January and we had some more happy jumpers taking in our great views above our village.

Our season is really beginning to gear up and we have a record number of charity's looking to jump with us this year and we are excited about what is to come, for those of you that are interested in doing a skydive and think doing one to raise money for charity is for you we have some information that might help you.

Tandem skydiving provides the experience of a lifetime and is great way to raise funds for a good cause at the same time. Plus if you raise enough sponsorship your charity jump could be for free.

It takes just 20 minutes to be briefed for your course and then you will jump harnessed to the front of a fully BPA qualified Tandem Parachuting Instructor and experience the thrill of 120mph freefall. You can do a sponsored skydive on any date that we are open

HOW DOES A CHARITY SKYDIVE WORK?

There are two options when it comes to doing a sponsored skydive:

1. Most charities will allow the cost of the sky dive to be covered using up to 50% of the sponsorship money, however a minimum amount of at least twice the cost of the tandem skydive should be raised.
2. You can pay for the skydive yourself, and then the minimum fundraising target is usually halved.

Although it seems you are skydiving for free, the tandem parachute jump is being paid for by the charity and the people supporting your cause, so you should try to raise as much as possible over the minimum target. It is also important that you contact your chosen charity and agree the use of funds and the minimum sponsorship required with them directly.

CAN I CHOOSE MY OWN CHARITY?

Skydive Hibaldstow has links to several local charities with whom we already have agreements however we understand that you might want to choose a charity close to your heart. You are welcome to skydive for any charitable cause but you do need to agree the use of funds with them directly.

By booking directly with the dropzone and not through an agency all the funds raised only go two ways – to cover the cost of your charity tandem skydive and to the charity itself.

Talk to us and we will walk you through the fundraising process and what you need to do

So if that has got you thinking and made you decide you want to represent a charity close to your heart please get in contact on the details below and we will be happy to help you, alternatively if you just want that perfect gift for someone on a special occasion we would be more than happy to help you also.

For any enquiries please do not hesitate to contact us on 01652 648837, info@skydiving.co.uk or via our website www.skydiving.co.uk

Glanford and Lindsey Lions Club

Without **YOUR** help we would not be able to assist the worthy causes we do; so a huge **THANK YOU** for the support you give us.

SANTA CAME TO TOWN

We would like to give our thanks for the generous donations you made, hopefully Santa was able to bring the presents you wanted!

CHRISTMAS HAMPERS

Again this year we have been able to provide Christmas Hampers to people within the villages and towns we cover. This is just our way of showing them that we are thinking of them through the Christmas period.

WORTHY CAUSE PARTNERSHIPS

Lions within the British Isles have formed partnerships with several worthy causes, these include; **Marie Curie, Diabetes UK, Cerebral Palsy Sport, Blind Veterans UK, MedicAlert, Moorfield Hospital, Gift for Living, English Federation of Disability Sports, Sight Savers, Unicef, Water Aid, plus many local organisations.**

LOCAL INITIATIVES

Lions Message in a Bottle is a voluntary scheme for anyone living at home, who may be reassured to know that essential information would be readily available to the Emergency Services should they suffer an accident or sudden illness. The scheme ensures that vital information is available not only to identify you, but to advise of relevant illnesses, allergies, medication and contact addresses.

Lions Message in a Wallet complements the Message in a Bottle, but the information is provided in a small plastic wallet which can be kept in your wallet or purse. The vital information is readily available to the Emergency Services in their hour of need. Again these are provided free of charge.

Plugsters is a device that is fitted to a 13 amp electrical plug to aid extracting the plug safely from the socket. This helps people who find it difficult to grip a plug and pull it out the socket.

Spectacle Collection: We collect used spectacles for re-cycling. On collection of the spectacles we box them and send them for recycling to a Lions Club in France to be sorted and graded before they are shipped directly to Lions Eye Clinics in such places as Papua New Guinea, Ghana, Nigeria and Nepal. We also support volunteers from the 'Unite for Sight' charity with the supply of spectacles to take with them on missions to countries across the world.

Trauma Lions: A small soft toy Lion is provided by Glanford & Lindsey Lions Club to Scunthorpe Hospital A&E and Disney Ward. These soft toys can be given out by the nurses as comfort toys to brave young children who have been admitted into hospital. The children get to keep these toy Lions and can bring them home when discharged from hospital.

Wash Bags: Again Glanford & Lindsey Lions Club provide small wash bags to Scunthorpe Hospital for the nurses to give to parents who, in emergencies, stay with their children overnight. This provides toiletries for parents to use to freshen up following their nights stay.

HIBALDSTOW W.I.

Update from Ena Fish .

What a thoroughly enjoyable evening we had at our December meeting when it was the WI Christmas Social. Brilliant entertainment was provided by Brigg Operatic Society who were in fine voice. Having chosen a decade members dressed accordingly and provided food related to the same era. We all enjoyed the sight of extravagant flares, seamed stockings and kaftans which Christine joked was not our regular attire!

It was lovely to see very young and mature singers joining us for a well deserved supper as they had entertained us with songs old and new, many written years ago are still relevant today. The evening concluded with traditional Christmas songs.

Our next meeting is an evening meal at The Shires.

Next meetings:

Tuesday, 4th February: Gail Spavin – A woman setting up in a man's world. Competition – largest number of items beginning with 'p' which fit into a small jar (which will be provided)

Tuesday 5th March : Annual General Meeting

We are **always** pleased to see **new** members **or** visitors so, if you fancy an evening of pleasant company and a varied programme, **please get in touch!**

February 2019 Article

by Reverend David Eames

I suspect that not many people will remember their baptism. I was baptised at the age of 16 so I do remember mine – it was a full immersion baptism in a pool that had been erected in the church for that occasion but the water was cold as the heater hadn't worked! I remember how great it was to be able to affirm my faith publicly in front of my Christian family.

Those who are baptised as infants don't get the chance to affirm their faith for themselves at their baptism, but that is why we have godparents. In the baptism service the Godparents not only declare that they believe the Christian faith themselves and that they will bring the child up as a Christian (by praying for them, being an example to them and bringing them along to church), but they also declare the faith on behalf of the child. They answer for themselves and for the child. In one version of the baptism service the minister says "At baptism we promise to reject the devil and all evil, constantly to believe God's Word, and to obey his commands. Children should make their own response of faith and obedience towards God, but as this child is at present too young to answer for himself it is proper that this commitment be made in his name until he is old enough to take it upon himself." The role of the godparent is to bring the child up in the Christian faith so that the child is able to affirm their faith publicly, usually in the presence of a bishop at the Confirmation service.

It is sometimes said that children should be free to choose the faith for themselves and it is true that no-one is a Christian unless they decide for themselves to repent and to believe and trust in Jesus as their Lord. However, infant baptism reminds us that Jesus invited children to be brought to him for a blessing and rebuked those who keep them from him. But it also reminds us that a child is not 'done' when they've been baptised, rather it marks the start of their Christian journey where they will be guided and taught the faith by their parents and godparents, in the hope that one day they will choose it for themselves. They cannot of course choose it if they have not been taught it!

Lent is a season of reflection in the Church year and those reflections sometimes centre around our identity as baptised Christians. One of the prayers in our baptism service asks for God's help to "keep us faithful to our baptism" This involves three things: first, repenting of the things we do wrong; secondly, believing all that the Bible teaches about the doctrines of the Christian faith; and thirdly, keeping God's holy will and commandments all the days of our life.

At your baptism, your godparents prayed that Jesus would receive you, forgive you, sanctify you with the Holy Spirit, and make you an heir to heaven and eternal life. They also heard that Jesus promised all these things in his gospel and we know that he keeps his promises. You started your Christian journey then, perhaps you need to restart that journey now, and if so you're always welcome at church – you are a member of our family after all!!

CHURCH NOTICES

SWatT (Sunday Worship at Three): Lots of people would love to come to church but for various reasons can't manage the morning service times. This new, interactive service is an opportunity for the community across the benefices to come together for worship on an afternoon. The service will be on the second Sunday of the month at Scawby Church. Over the next few months we are going to focus on main festivals and also the ministry of Jesus. A great way to end the weekend and begin the new week.

Parish Prayers: Thursday 7th February, 7.00-7.30pm in church. An opportunity to pray for the village, all are welcome.

Ash Wednesday There will be a service of Holy Communion with ashing on Wednesday 6th March at 10.00am in Scawby Church and 7.00pm in Broughton Church. All are welcome at these services to mark the beginning of Lent.

Lent Lunches This year's Lent Lunches will again be held jointly with the Methodists in Hibaldstow, Scawby, Broughton. Why not set aside 90 minutes each week throughout Lent for prayer, discussion and a light lunch? Each session will be at 12noon - 1.30pm and contributions for cost of lunch will be donated to Christian Aid. Dates and venues are yet to be decided, so keep an eye out for the weekly news sheet for more information!

Lent Study Course Details for this are yet to be finalised, so keep an eye on the weekly news sheets!

Hibaldstow Parish Park Play Area (Dallisons Park)

The Parish Council are now in ownership via a Lease of this play area. Funding has been obtained and new play equipment has been installed along with new litter bins and seating areas. The Parish Council will also take on the responsibility of the maintenance of the area.

An official opening was organised and all residents were welcome to attend. Local officials were present to mark the event and refreshments were provided to the children in attendance.

This is your park and the Parish Council ask that those in the vicinity of the park report any misdemeanours to the police and inform a member of the Parish Council.

Please look after this area! It is your money that is maintaining the area so make sure it is used correctly!

A letter received by the Village Voice on this matter

Dear Residents of Hibaldstow

I wrote to the voice a few months ago and the problem I would like to address is still happening so I thought I would try again.

I wish to remind people that dogs are not allowed in the park as it says on the gate. I have seen people walking dogs on and off leads through there and unless there's some time rule about it this is clearly wrong.

They make it dirty for children going in and they can be very intimidating to some people. I used to feel safe in the park but now I feel too scared to take my daughter there. When told that dogs shouldn't be there some owners become aggressive which is definitely not called for. Dogs are allowed all over the village, why should they take over the park as well?

While I'm on the subject of the park I should mention the litter. I know it is a widespread problem but again it looks dirty and like no one cares about our public spaces.

Perhaps someone could check with the parish council if the sign on the gate still stands. If it doesn't I'm obviously wrong and you shouldn't print this but if it does people should have some respect.

Kind regards

Operation Christmas Child - Shoebox Appeal

Christmas sounds a long time away, but it's not too early to start thinking about the Shoebox Appeal.

Each year Operation Christmas Child send thousands of shoeboxes filled with gifts to children around the world at Christmas time. Last year we sent over 40 boxes from Hibaldstow. We'd love to send more this year. The secret to sending lots of boxes is to start collecting things for the boxes as early as possible.

The sorts of gifts that are great for a shoebox are:

- Soft toys, dolls, cars, musical instruments, even a deflated football and pump
 - Puzzles, yo-yo's, small balls
- School supplies like pens, pencils, notepads, calculators, colouring books
 - Toiletries like toothbrushes, soap, brushes, and face cloths
- Hats, gloves and scarves, sunglasses. Hair accessories, wind-up torch.

 If you want more information, search for Operation Christmas Child on the internet. Alternatively call Angela on 654229.
