Diary of a Gardener... Top Tips!

There is a theory that to prevent Blackspot on roses, there is a home remedy you may have in your kitchen store cupboard.

- Try sprinkling one handful of cornmeal around each rose plant once a month during the growing season.
- Lightly fork in and water. Cornmeal is available from larger supermarkets.

This is said to work because a beneficial fungus grows on the cornmeal round the roots of the plant, and this in turn inhibits Blackspot which is also a fungus. If any Blackspot does appear pick off affected leaves and dispose of them. Not on your compost heap as this just spreads the fungal spores.

In the rest of the garden weeds will be growing fast now, if left unchecked. Once you have removed them by forking out by hand it is a good idea on a dry day to regularly hoe between your plants. This not only destroys seedling weeds and prevents weed seedlings from growing but it helps to keep in moisture too. Annual weeds can be put on your compost heap but perennial weeds like Couch Grass may re-grow so are better placed in the council bin.

If you'd like any other tips from the village garden experts, please let us know!

Brigg Heritage Centre

Opening hours Tuesday, Thursday and Friday

10:00am – 2:00pm and Saturday 10:00am – 3:00pm

Following a grant received from Brigg Biomass Community Fund, a series of basic introductory heritage crafts workshops will be introduced at the Heritage Centre. Four week courses of two hour sessions per week are offered at a cost of £20. Creative writing will begin on 6th June, 1pm-3pm and a weaving course on 30th June, 10.30am–12.30pm.

Further courses in embellished felting, calligraphy, watercolour painting, creative writing, rug making and weaving will be repeated throughout the year on changing days and times to suit most people. Ring the Heritage Centre for dates and times of the various courses which are open to adults and children. The current pop up exhibition is celebrating the regeneration of the Brigg's recreation ground by highlighting the sports connected to the ground, namely, cricket, football, tennis and hockey. A little of each club's history and lots of photos from past years should make a trip in to see the exhibition worthwhile.

Look out for our Antique Fairs in the Buttercross on Farmer's Market Saturdays and for our younger visitors, there are craft workshops to enjoy at the Heritage Centre itself. Children can design a milk bottle bird feeder on 26th May, Jungle Fun is on 23rd June and puppet making on 28th July. A small donation is requested. If you need help tracing your family history, help is at hand at the Centre too, booking is advisable and don't forget our attractive rooms available for hire at the Centre above the Library. In addition, the beautiful 1st floor of the Buttercross is waiting to be hired for that special occasion or wedding ceremony. Full details for all the above are available from the Heritage Centre on 01724 296771, e-mail briggheritage.centre@northlincs.gov.uk or check our web site, briggheritage.org

Book Club Minutes provided by Ena Fish (April's Minutes)

Ruth and Jenny presented St Hybalds Academy with a cheque for £100 from the book club, the money will help to buy books for the reading scheme. As usual opinions were varied when discussing books.

The Cornish House by Liz Fenwick.

On-line this has been described as "a sweeping, romantic debut set in Cornwall, reminiscent of Rosamind Pilcher. I'm not sure that Hibaldstow Book Club would agree. One member described it as a 'posh Mills and Boon', another said that the house was more interesting than the people. Maddie inherits a house in Cornwall shortly after her husband's death where she hopes it'll be a fresh start for herself and her step-daughter. The house is beautiful but neglected. Maddie discovers the stories of the women who have lived there previously. The relationship between Maddie and her step-daughter, Hannah, is somewhat fraught and Maddie's dream of a calm life is far from reality. Some comments made were 'very enjoyable', 'not taxing' and 'not good'. Those who read the book scored mainly 6 or 7 out of 10. One reader gave it a 2.

The Diary of a Bookseller by Shaun Bythell

As the title suggests the book is the diary of a bookseller. A book club member is a frequent visitor to Wigtown in southwest Scotland where Shaun has his bookshop. She was looking forward to reading the book which she said did not disappoint. She and her husband have spent many a happy hour in Shaun's bookshop, she in The Garden Room, he in The Transport Room. The cat is often snoozing on the sofa by the fire. Shaun is often reading a book cocooned in the front corner of the shop. Out and about L and S have experienced the grumpy Post Office Man. Reading the book made our reader realise just how much Shaun is involved in the planning and running the annual Book Festival. The everyday toils of owning and running a bookshop in a small town full of other bookshops, the competition from Amazon, and the eccentricities of the varied customers were told in an entertaining way and with a dry wit. Even though some of the book could seem a little repetitive L thought this added to its enjoyment. It certainly gave an insight into the vagaries of running an independent bookshop.

Although one person said the book was boring most members gave the book a score of 8 to 10 out of 10 and said it was enjoyable and interesting. It never ceases to amaze me how opinions differ about a book. It is not like Marmite which people love or hate; with a book it can be love or hate with everything else in between. There is no accounting for taste.

Books for Thursday 7th June: How To Stop Time by Matt Haig & Eleanor Oliphant Is Absolutely Fine by Gail Honeyman

Books for Thursday 2nd August: The Scapegoat by Daphne Du Maurier & The Last Day by Claire Dyer

Meetings are held in Hibaldstow Church Hall at 7.30pm. Everyone welcome.

What are Brownies?

Brownies are for girls aged between about 7 and 10 years old.
Brownies are part of the Guide movement, which is the
biggest youth organisation in the country.

At Brownies we use games, crafts and other activities to create a fun packed
programme that aims to help the development of our young girls. We try to
supplement our weekly meetings with days out and trips away. **Hibaldstow
Brownies** has been operating for many years. We meet on Monday evenings
from 6:00pm – 7:30pm in Hibaldstow School. If you think you might know
someone who may be interested in joining then either give me a ring or come
along one Monday night.

Angela Smith - Brown Owl - 01652 654229

1st Hibaldstow & Scawby Scout Group

Want to Join Us?

If you're aged between 6 and 18 and think you might like to
join us, please contact us (details below) or pop into the
Church or Village Hall on a Monday evening to find out more details. Also, if you
are over 18 and can spare a few hours now and then, there is always a job that
wants doing, give us a ring, or pop in one Monday, we're nice people really.

Clothing Collection – Still Collecting!

We continue to collect clothing to raise funds to update and replace our Group's
equipment. As ever we would like your help collecting **textiles**. This includes;
clothes, bags, shoes etc. Either; give it to a Beaver, Cub, Scout or Explorer,
alternatively bring it to the Village Hall on a Monday evening (during term time)
or give one of the leaders a ring and we'll happily collect it. This helps raise nearly
£1000 per year for the Group, which makes a **huge difference** to the activities
we can run.

**If you have any queries about anything to do with
Beavers, Cubs, Scouts or Explorers,
then please contact**

HIBALDSTOW SHORT MAT BOWLS CLUB

The 2017/2018 Winter season has now finished and we have been rewarded for our efforts in all three Leagues that we regularly compete in.

In the new Kirton Lindsey & District League we finished fourth in the League but won the Knock-out Cup Competition by beating our neighbours Scawby Short Mat Bowls Club in the final by 62 shots to 26 shots. As the League Chairman commented, it was not so much a game as an exhibition in bowling!!

In the Humberside League we are delighted to again be Champions of Division 1 South. We were Runners-Up in the North versus South play-off at North Cave Indoor Bowls Centre, and got to the Quarter-Finals of the Plate Knock-Out Competition, again held at North Cave.

In the North Lincs League we became Champions of Division 1 having been unbeaten in all our league games throughout the season, and two of our players reached the final of the Open Singles Competition. We have a good record of winning this Competition, and this year it is Peter Moore who gets his name on the trophy after beating Lorraine Hutchinson in a closely fought game.

Congratulations to all members for their outstanding performances during a very long season.

In our own Club Competitions, held on a Saturday, and followed by a buffet lunch provided by the members, the winners of trophies in the various competitions are as follows:-

Open Singles

Winner: Bryan Sheppard Runner-up: Valerie Moore

Open Pairs

Winners: Val Maycock & Gerald Hutchinson Runners-up: Lorraine Hutchinson & Jo Walker

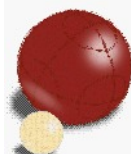

Drawn/Knock-Out Pairs

Winners: Valerie Moore & Paul Wilkinson Runners-up: Val Smith & Gerald Hutchinson

Fritch

Winners: Valerie & Peter Moore Runners-up: Maureen & Paul Wilkinson

Congratulations to all of the above. We have just started our shorter Indoor Summer League and hope for continued success in our matches.

Glanford and Lindsey Lions Club

Without **YOUR** help we would not be able to assist the worthy causes we do; so a huge **THANK YOU** for the support you give us.

CHARITY GOLF DAY

This year our Charity Golf Day has been organised for the 25th May 2018, at the usual venue of Holme Hall Golf Club. Hopefully we will have some good weather and an enjoyable competition, whilst raising funds for those less fortunate.

LINCOLNSHIRE SHOW

Again this year we are planning to have a pitch at the Lincolnshire Show, so if you are attending the Show please come along and say hello and find out a little more what Lions do in the Community.

LIONS MESSAGE IN A BOTTLE

This is a voluntary scheme for anyone living at home, who may be reassured to know that essential information would be readily available to the Emergency Services should they suffer an accident or sudden illness. The scheme ensures that vital information is available not only to identify you, but to advise of relevant illnesses, allergies, medication and contact addresses. These bottles are provided free of charge and if any individual or organisation are interested in finding out more please contact any Glanford & Lindsey Lions Club member.

LIONS MESSAGE IN A WALLET

The 'Message in a Wallet' complements the Message in a Bottle, but the information is provided in a small plastic wallet which can be kept in your wallet or purse. The vital information is readily available to the Emergency Services in their hour of need. Again these are provided free of charge and can be obtained from any Glanford & Lindsey Lions Club member.

PLUGSTER

A 'Plugster' is a device that is fitted to a 13 amp electrical plug to aid extracting the plug safely from the socket. This helps people who find it difficult to grip a plug and pull it out the socket. Once again these are supplied free of charge by Glanford & Lindsey Lions Club.

TRAUMA LIONS

Again Glanford & Lindsey Lions Club have provided trauma Lions (small soft toy Lions) to Scunthorpe Hospital A&E and Disney Ward. These soft toys can be given out by the nurses as comfort toys to brave young children who have been admitted into hospital. The children get to keep these toy Lions and can bring them home when discharged from hospital.

SPECTACLE COLLECTION

We collect used spectacles for re-cycling. On collection of the spectacles we box them and send them for recycling to a Lions Club in France to be sorted and graded before they are shipped directly to Lions Eye Clinics in such places as Papua New Guinea, Chana, Nigeria and Nepal. We also support volunteers from the 'Unite for Sight' charity with the supply of spectacles to take with them on missions to countries across the world.

Kris Cavell - Drop Zone Manager

We have a busy summer coming up, with the football world cup and Wimbledon all on the screens in our clubhouse. During the football we will be serving pitchers of beer burgers & beers and during Wimbledon we will be serving strawberries & fresh cream as well as pimms & prosecco.

Our bar is open every Friday & Saturday all day until late.

We have recently launched the 10,000 feet tandem skydive for £199, giving the extra thrill of being slightly closer to the ground for the adrenaline junkies out there.

We have loads of events coming up this year including the BPA Uk wing suit national championships 13-15 July, which will see wingsuiters from around the world come to compete. The 4 way nationals across bank holiday weekend with a brand new format as it will start on the Friday morning and run until completed or the Monday evening, whichever is the sooner. The 8 way follows the weekend after this.

Preceding all of this we have from 8-10 June jumpers from around the world coming to take part in a big way event - where we will be flying at least 3 aircraft in close formation and a minimum of 40x skydivers trying to build formations over Hibaldstow, easily seen from the ground.

On top of all that, hot foot & drinks as well as alcohol & Marshfield dairy ice creams, milkshakes & sundaes are available all day every day, from June until the end of August we operate 7 days a week. We have weekly offers on every week including cake & coffee, something for everyone. Hope to see you pop in soon!

HIBALDSTOW W.I.

We're always pleased to see new members or visitors so, if you fancy an evening of pleasant company and a varied programme, **please get in touch!**

On 3rd April Kathleen Devai, a photographer, who specialises in capturing the essence of Steampunk, began a talk which morphed into a very interesting open forum. She gave us a resume of her photography career – someone gave her a camera 7 years ago, she took photos in automatic mode for 2 years while she saved for a Nikon. Her favourite lens is a 'fish eye'. She says there are no rules of photography – do your own thing. If she isn't happy with a photograph Kathleen will discard it. It has no second chance! Kathleen was invited to join the exclusive Ansel Adams Club which she says has only 276 members world wide. To be invited you have to take photographs in his style. She had to ask a friend who he was! He was an American photographer and environmentalist who took black-and-white photographs of the American West. The advice Kathleen gave us was to look up. You can see chimneys, stone carvings, tree branches, clouds, and a multitude of other things. She said she is essentially a people watcher. In her business she told us that she has met some lovely people, and Hibaldstow WI are pleased to note that she thought our group were lovely too.

At the meeting on 1st May, Angela Smith told us about her day, also attended by Jean Smith and Pam White, at the Annual Federation Day at the UTC in Scunthorpe. They had a very interesting time, the highlight being a performance by the Waddington Military Wives Choir. Apparently all the Military Wives Choirs learn the same repertoire of about 70 songs so that when they move to another camp or base they can join in easily. Following this we had a lively discussion regarding the resolution concerning Mental Health, coming to the conclusion that there are no easy answers. With background work done by husband Alan, Angela provided us with a sheet of 'Dingbats' to work out – which is easy if you know the answers! Once again it was a very enjoyable evening.

The next meeting is on Tuesday, 5th June at 7.30pm in Hibaldstow Church Hall when Sarah Tipler will be talking about encouraging children to read. The following meeting will be on Tuesday, 3rd July.

Come and join us. New members will be very welcome. For more information please contact Pat Horton (Secretary) 01652 653916 or Christine Lakin (President) 01652 654367.

Bless our labour, and give us all things needful for our daily lives. Bless the homes of this parish and all who live within them. Bless our common life and our care for our neighbour."

HIBALDSTOW HISTORY GROUP

We had 17 members at our Annual General Meeting in April, thank you to those members who attended. The meeting was followed by an Historical Picture Quiz which was extremely entertaining, some of us having to dig deep into our memories to find the answers!

This was followed by a buffet to conclude a pleasant evening.

As previously notified our guest speaker at our meeting on the 17 May will be Brian Peeps whose subject will be The Paddle Steamers of the River Humber, so please come along.

In June we shall be visiting Osgodby Church. This visit will be by car share and times will be confirmed at our May meeting.

In July members will be invited to bring along their photographs for discussion and to determine the age and era depicted by the subject in the photograph.

Following the success of the Aviation Heritage Day last year, the History Group has once again decided to hold a display depicting and promoting the history of Hibaldstow. The date will be 29th July, more information nearer the time.

Meetings are normally held in the Church Hall on the 3rd Thursday of the month at 7.30 pm. Entrance fee is £1.00 for members and £2.00 for guests. Annual subscription is £5.00.

June 2018 Article

by Reverend David Eames

On 22nd June, the Church of England commemorates St Alban, known as the first martyr of Britain. Alban has a tenuous connection with us as the Duke of St Albans is one of the Patrons of our group of parishes.

Little is known for sure about Alban, even his date of death has been variously given as around either 209, 251, or 304 AD. But the story of his martyrdom varies less, with the fullest account given in Bede's *Ecclesiastical History*. Alban lived in Verulamium (now St Albans) and was possibly a Roman soldier and might have been a leading citizen of the city but he was not a Christian. He. At that time the small but increasing Christian community began to be persecuted by the Roman authorities and one day a Christian priest, who was fleeing for his life, came to Alban's house seeking refuge. Over the few days that the priest was in his house, Alban, impressed by the priest's faith and devotion, converted to Christianity. Eventually the authorities came to Alban's house to search for the priest, Alban put on the priest's clothes and handed himself over to the soldiers.

Alban was brought before a judge and despite being threatened, whipped and tortured, he refused to make sacrifices to the Roman gods or deny his faith so he was sentenced to be beheaded. Bede records some miracles that occurred: firstly, Alban stopped a river so that they could cross it, and he caused a fountain of water to flow near where he was beheaded. Seeing the first miracle the executioner was converted and then beheaded too, and the man who replaced him, after striking the fatal blow, became blind. St Alban's Cathedral stands on the believed site of the execution.

Alban's actions are echoed in the actions of the French police officer, Arnaud Beltrame, who on 23rd March this year offered himself in exchange for the hostages in an Islamic terrorist attack in Trèbes, and died the next day. Beltrame's heroism was motivated by the Christian faith to which he had been converted ten years ago. Fr Dominique Arz, national chaplain of the gendarmerie, said "The fact is that he did not hide his faith, and that he radiated it, he bore witness to it. We can say that his act of self-offering is consistent with what he believed. He...bore witness to his faith to the very end."

Despite the common accusation that religion causes more violence in the world, nowhere in the New Testament are Christians encouraged to kill in order to spread the faith. In fact the opposite is true. Jesus said 'Whoever wants to be my disciple must deny themselves and take up their cross and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me will find it' (Matthew 16:24-25). John wrote "This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters" (1 John 3:16). The Christian faith is something worth living for and something worth dying for because death for those who believe in Jesus means resurrection to eternal life.

Friends of Hibaldstow Academy

Friends are busy raising money to go towards a trim trail for the school. The money from the Co-op and school fundraising events means that we already have £2000 to put towards this fantastic outdoor area.

We would like to contribute another £3000 so we will be holding a school disco at the end of this term and next. In addition to this we are planning a cake stall and have the next Bag 2 School collection. If you have any good quality unwanted clothes, please put them in a plain bin liner and drop them off at the school gates for 9am on Tuesday 12 June.

We are planning a very exciting fundraising event in July, look out for details on the Friends Facebook page:

HIBALDSTOW ASTRONOMICAL SOCIETY

Our April meeting saw our chairman, Tony, give a talk about the Hubble Deep Field Project. The amazing images showed just how big our universe truly is. We also had another clear night on our observing session last month.

Our meeting on the 23rd May will be the AGM followed by a short talk.

The June meeting on the 27th will feature a talk on the Cassini space mission to Saturn by Lee Twigger.

As summer approaches the nights get shorter but our observing sessions continue. But no need to stay up late as we will be observing the Sun using our special solar telescope. This is the only safe way to directly look at the Sun as these telescopes have special filters to stop the harmful rays & heat getting through. It's very important to never look at the Sun unless you know what you are doing as even very short looks can cause immediate damage to your eyes.

We meet in the Church Hall on Church St, doors open from 7.15pm (admission £3 for non members) & all are welcome.

For more information contact Tony on 01652 659839 or ackland.tony@gmail.com

OPEN GARDENS

Sunday 17th June – 11.00am to 5.00pm

A good range of gardens will be open around the two neighbouring small rural villages of Cadney and Howsham.

Howsham has won CPRE Northern Lincolnshire's Best Kept Village Competition several times in recent years. There will be lots of lovely country gardens of all shapes and sizes open in both Cadney and Howsham.

Grade 1 listed Cadney church is one of the oldest churches in the area and well worth a visit, the church will have a lovely flower display.

There will be raffle, tombola, cakes, light lunches and refreshments in Howsham Village Hall. Refreshments will also be available at Cadney church hall.

A free minibus service will run throughout the day to take visitors between Cadney and Howsham, and visitors are encouraged to park in Howsham and take the bus to Cadney. The minibus has been very kindly paid for by Caistor and district Lions. Scarecrows will be popping up in the Open Gardens and all around both villages and there will be woodturning demonstration in Howsham Park too.

All proceeds are to be shared between local good causes including Lindsey Lodge Hospice, Cadney church, Howsham Park, Howsham Village Hall and our local LIVES group.

Plant sales:

Patchwork, Quilting and Creative Embroidery classes at Kirton in Lindsey Town Hall

Heather at LetsBcreative is an experienced patchwork and quilt maker and is holding two sessions per month on the 1st and 3rd Thursdays from 6 to 9pm.

The first Thursday is an informal club, ideal for bringing along those unfinished projects or those that you have reached an impasse with, or just to come along and craft with like-minded friends. We are totally open to new ideas and are happy to combine Creative Contemporary Embroidery into the mix. Cost: £10 per session.

The 3rd Thursday is a more formal 'workshop' to introduce you to a 'technique' of Patchwork and Quilting. The 'technique' runs for a while and develops whilst you progress. You start off with simply looking at a 'technique' and then over a time limited period (limited number of workshops) you explore what you can do with the technical knowledge. You have use of specialised tools at the workshops to develop your skills. Cost: £25 per session.

Booking is essential so give Heather a call on: 07738 420123

If you want to see more of what Heather does, check out her Facebook page: [HeatheratletsBcreative](https://www.facebook.com/HeatheratletsBcreative).
