Editorial

Well yes, it is me again but this time it really should be the last editorial I write. As always your welcome contributions mean that there is a lot to read in this edition and of course there is information about up and coming events. The nights are certainly drawing in and there is a real nip to the early morning air. The trees are showing beginning to show their glorious autumnal colours and it is noticeable that a lot of clearing is being done in gardens around the village. Do not forget to change your clocks the last weekend in October, put them back and enjoy an extra hour in bed!

Opening hours Tuesday, Thursday and Friday
10:00am – 2:00pm and Saturday 10:00am – 3:00pm

Farmer's Market Day Children's craft sessions are to be held on **Saturday 28th October** and **Saturday 25th November**. In **October** the theme is **"Down at the bottom of the sea"**. This will be using self-hardening clay to make models and decorate with beads and sequins etc. The **November** session will allow a free choice from assorted craft kits and other exciting things to do, - there's plenty to choose from, sand art, sewing, painting and lots of things to create.

A bit early we know but these are the **last two supervised sessions** before Christmas. We shall be running

Christmas workshops when we have our **Santa's Grotto** open in the run up to Christmas.

For the under-5s there will be the Autumn themed play tent and you can have a go at putting on your own puppet show.

What else is happening at the Heritage Centre?????

The current temporary exhibition is called **Captivity and Confinement** and takes us back to the days of the Brigg Workhouse and to the Pingley Prisoner of War Camp. We have been amazed with the number of personal stories which have been shared by families connected with the PoW Camp. From the Farmer who owned the land on which the Camp was built, to the British Soldiers who guarded the camp, then the Italian and German prisoners.

You will need to visit us to find out more.

Books Discussed

The Trouble with Goats and Sheep by Joanna Cannon

In the heat wave of 1976 two young friends investigate the disappearance of their neighbour Mrs Creasy. Several other mysteries arise, including the brief kidnapping of a baby and a case of arson. We meet a number of local residents, including Dorothy and her controlling husband; Eric, a grieving widower; Brian, who has never moved out of his mother's house; John, the husband of the missing woman and Walter, focus of the suspicion of his neighbours; and gradually begin to unearth some of the secrets they've been hiding for years.

Some members had sent comments by email, one of whom could not get into the book despite looking forward to it and stopped reading about p40. This member compared the book to marmite for the way it divides a crowd and scored it 1 out of 10. In contrast, another member emailed to say that they had got into the book very quickly and found it very entertaining. Its description was good and the reader feels they get real insight into the way people's minds work. They thought that the author's history as a psychologist made a significant contribution here. They found the section about an image of Jesus appearing in a drainpipe far-fetched, as did some of the members present at the meeting. They found the ending unsatisfactory and said it left them feeling like they'd missed something. A number of others agreed saying they felt cheated and wanted to know what happened next.

Positive comments from members present at the meeting were that the phrasing and characterisation were superb; that it evoked memories of the 70's and 1967, had good historical accuracy, and offered an interesting window on those decades for those who did not remember them; and that the girls asking questions that adults couldn't get away with was a clever device. Negative comments were that it was tedious; hard to remember who was who and that you must have to be in the right mood for it. A great deal of reminiscing followed, particularly on the subject of Angel Delight, and a short history of the bouncy castle was shared.

Scores varied considerably, ranging from **1/10; 3/10; 4/10 to 7/10 or 8/10.**

The Shadow Hour by Kate Riordan

Described by one member as 'another novel about an old house with secrets', the book alternates between 1878 and 1922 (with a few brief visits to 1910) and between the stories of Grace Fairford and her grandmother Harriet Jenner, both of whom take up positions as governess at the same remote house

near Cheltenham for different generations of the same family. Both characters experience 'glimmers' of the future and it is one of these that has led Harriet to encourage Grace to take up the post but Grace begins to wonder what other motivation her grandmother had as the stories she was told in childhood about her grandmother's happy time with the house and family begin to unravel.

Email comments were that the book was generally enjoyable but that the lack of chronology and the jumping between characters was a little frustrating. Slow in the middle but a pacier and thoroughly enjoyable final section which ties up all the loose ends and shows the author to be a really good storyteller.

Some members present at the meeting compared it to Jane Eyre and The Secret Garden. Positive comments were that the atmosphere and gardens were brought to life for the reader and that the characters narratives alternating between the first and third person for Grace and Harriet respectively made it easier to follow the switches between their stories and timezones. One member said they loved reading it. Negative comments were that it was too long and, contrary to the opinion of the email feedback, left too many unanswered questions for one member. It was commented how differently those who have been through a bereavement or traumatic event are treated now in comparison to the time of the book in terms of whether they are encouraged to talk about their experience or not. Scores ranged from **4/10** to **9/10**.

The **next meeting** will be **Thursday 5th October**

The books for discussion are:

Beware of Pity by **Stefan Zweig** and
A Delicate Truth by **John Le Carre**

The **following meeting** will be **Thursday 7th December**

The books for discussion are:

Sapiens, A Brief History of Humankind by **Yuval Noah Harrari**
and **A Winter's Tale** by **Trisha Ashley**

1st Hibaldstow Brownies

What are Brownies?

Brownies are for girls aged between about 7 and 10 years old.
Brownies are part of the Guide movement, which is the

biggest youth organisation in the country.

At Brownies we use games, crafts and other activities to create a fun packed programme that aims to help the development of our young girls. We try to supplement our weekly meetings with days out and trips away. **Hibaldstow Brownies** has been operating for many years. We meet on Monday evenings from 6:00pm – 7:30pm in Hibaldstow School. If you think you might know someone who may be interested in joining then either give me a ring or come along one Monday night.

Angela Smith - Brown Owl - 01652 654229

1st Hibaldstow & Scawby Scout Group

Want to Join Us?

If you're aged between 6 and 18 and think you might like to join us, please contact us (details below) or pop into the Church or Village Hall on a Monday evening to find out more details. Also, if you are over 18 and can spare a few hours now and then, there is always a job that wants doing, give us a ring, or pop in one Monday, we're nice people really.

Clothing Collection – Still Collecting!

We continue to collect clothing to raise funds to update and replace our Group's equipment. As ever we would like your help collecting **textiles**. This includes; **clothes, bags, shoes** etc. Either; give it to a Beaver, Cub, Scout or Explorer, alternatively bring it to the Village Hall on a Monday evening (during term time) or give one of the leaders a ring and we'll happily collect it. This helps raise nearly £1000 per year for the Group, which makes a **huge difference** to the activities we can run.

**If you have any queries about anything to do with
Beavers, Cubs, Scouts or Explorers,
then please contact**

Alan Smith (Group Scout Leader) on 01652 654457.

Time is free, but it is priceless.

QUIZ!

**Friday 10th November
7.00pm in the Church Hall**

**Tickets £5 to include
Light refreshments.**

Watch out for further
details on posters
around the village.

Despite the wet start, the drizzle had about cleared by the time the 120 OVO Tour of Britain cyclists careered through the village, waved on by scores of supporters and deafening cheers of the school children waving their homemade flags. The village looked a treat with banners, bunting and decorated bikes.

Many of the green bikes were sponsored by local business at £100 each to raise money for the Hibaldstow Room at the Lindsey Lodge Hospice. Money is still being collected but hopefully the final figure will be nearly **£2000**.

I would personally like to thank the following for their support to a cause that is very dear to my heart:

The Wheatsheaf Pub; Pipers Crisps; Lincoln & York; St, Hugh's Hospital; Andy Ibbotson/ Techcrete; Hibaldstow Scouts; A M Borrill Caravan Storage; Skydive Hibaldstow; Angela Powell Property Services; Whites Recycling; Church Street Stores; Coop; Welvent; Jadon Contractors and Hibaldstow Parish Council.

Councillor Elletson has been a huge help with this endeavour coordinating with the school as well as prepping and spraying up the bikes green.

Till the next tour!

Home at last for Brigg Hockey Club

Brigg will start the new season based at the Recreation Ground in the town – back after nearly thirty years. Planning and organising for September have begun in earnest, with pre-season fitness training in evidence on Wednesdays from 8pm.

Brigg had an extremely good season last year. The men's 1st team won through many rounds to reach the national finals of the Vase competition where they were defeated 1-3 by

Southampton Hockey Club (yes really – Southampton). The final took place at the Lee Valley and Tennis centre near the Olympic Velodrome on the Queen Elizabeth Park in London where all the national and international competitions are now played. All four men's teams gained promotion in their various Yorkshire divisions, the women's first team were third in the Yorkshire premier league, the seconds worked really hard to avoid relegation (no mean feat with the likes of their opposition), and the thirds showed much promise and as always are the training ground for our future stars.

A charity match is planned on Sunday 10th September in honour of Brigid Vaughan, who sadly lost her battle with a brain tumour last year just before the pitch was opened. She was the club President, played in the 70, 80 & 90's, and was a club coach, a founder of the Brigg Colts and an advocate of the amalgamation of the three clubs into one. A true supporter of the club and hockey in the region. She is sadly missed. She would often be found supporting on the sidelines of many a Saturday match regardless of the weather. A plaque to commemorate her will be unveiled that afternoon.

The colts section has been well supported by parents, coaches and umpires of the club. They enter the Yorkshire Youth League where a different age group play once a month against other Yorkshire clubs. This involves quite a lot of travelling often to Leeds University on a Sunday so is a real commitment to those who take part but very worthwhile. This year we hope to host the County In2Hockey club round for U12 and U10s in November so come to watch the talent and future club hopefuls. This season U16/U18 training takes place behind The Pods in Scunthorpe on Mondays 7 to 8pm starting on September 11th, U10, U12, U14 takes place on Wednesdays in Brigg 6.45pm starting 6th September.

For more details ring 07841 915290.

Senior League matches start mid September. Details of the club are posted on the notice board at the Recreation Ground and can be found on the website and Facebook page.

A men's and a mixed team have again entered the Lincoln Summer league. The mixed lost in the semis while the men were the champions.

HIBALDSTOW ASTRONOMICAL SOCIETY

Hibaldstow Astronomical Society has a **great programme** of speakers for the rest of this year and **all** are welcome to come along.

On the **27th September**, **John Dunthorne** of the Cleethorpes Society, will be talking to us about the American space programme called Gemini. This programme was the forerunner to the Apollo Moon missions and saw the USA rapidly expand their capability. John is a local expert on manned spaceflight and is sure to give a great talk. Why not come along and join us? Our meeting on the **25th October** see's the return of Lincolnshires Astronomer, **Paul Money** to present his Voyager part 2 talk. Paul is one of the U/K's leading semi-professional astronomers and always gives an entertaining talk.

Our final meeting of the year see's the visit of **Dr Susan Cartwright**, from Sheffield University, who will be talking about Supernovae. Dr Cartwright is a professional research astronomer currently working on projects with astronomers in Japan. She is part of the Universities outreach programme and gives regular talks to societies & schools.

As the nights draw in we will also start our observing programme using our society telescopes at our local site.

Whilst we are a members society, guests are **always welcome** to come to our meetings

For more information contact **Tony** on **01652 659839**
or email : **ackland.tony@gmail.com**

Our admission charge for guests will be £3 when we have a speaker otherwise it is the usual £2.

Our monthly meetings are normally held on the last Wednesday of each month in the Church Hall with doors open at 7.15pm for a 7.30pm start. We also have a yearly membership subscription scheme of £10. It is always advisable to check beforehand as we sometimes have to change the meeting dates at short notice.

We had the sky, up there, all speckled with stars,
and we used to lay on our backs and look up at them,
and discuss about whether they was made,
or only just happened.

LINDSEY LODGE HOSPICE NEWS

Jean Clark, who passed away last year was so grateful for the treatment she received at Lindsey Lodge that she expressed a wish to buy a new Lymphoedema machine for the Hospice.

A new machine was presented to the team at Lindsey Lodge on 1st July and will provide vital treatment for many years to come.

Jean was a lifelong resident of the village, and was the owner of Topham House Residential home which cared for many elderly people from the village for 17 years from 1983 – 2000.

Lymphoedema is a chronic condition, which affects the daily lives of more than 200,000 people around the UK.

Skydive Hibaldstow has had another busy summer season, recently having hosted the UK national skydiving championships to find the top UK skydiving teams. The winners in the 4 way competition were Hibaldstow's own Satori XL team, who will now go on to represent the UK at the world championships in Australia 2018. Again, our freefly coaches were winning gold medals too in their disciplines and will go to Australia next year. In the speed category, a new UK record was set with a freefall speed reached of 559kph. Our resident belly coach also had teams he trained take a mixture of medals once again, all adding to our huge team of medal winning staff and jumpers.

We've had an extremely busy summer season too with ice creams, having begun earlier this year selling Marshfield dairy ice cream which has proved a roaring success. Along with this hot and cold food 7 days a week throughout June, July and August. For September, we are now closed on Tuesdays and from October we will be closed Mondays and Tuesdays for anyone that may wish to visit us for food or drinks.

On **October 28th** we are looking to run a **Halloween event** which is open to people of Hibaldstow to attend, where we will be having a range of activities for kids including face painting, apple bobbing and many other spooky but fun games for the youngsters. Details will be confirmed nearer the time on our Facebook page - skydive Hibaldstow. The event is **free** and a fully licensed bar will be open as well as our cafe serving some spooky specialities from our 5* facilities.

As ever if anyone does wish to try a skydive, mention the **Village Voice** to get a discount on the price. Tandem skydiving is the quickest and easiest way to experience the thrill of freefall after just a 15 minute brief you could be kitting up and taking to the skies harnessed to the front of one of our experienced instructors. You could even jump for **FREE** - we have leaflets explaining how to do this which can be found in many shops around Brigg or at our reception.

Why not check out our website? **www.skydiving.co.uk** and our **facebook page**

HIBALDSTOW W.I.

Hibaldstow WI members visited The Ice House, Grimsby, and were shown round and told about Samaritan's Purse who are based there. We are all in awe of the amazing work carried out by the 32 volunteers who last year enabled 36,964 shoeboxes to be sent to Romania, Liberia, Ukraine and Moldova. Recycled items are upcycled into games, little bags of treasures, and stationery items such as colouring books. Video cases are made into pencil boxes. This year a special request is for soap and toothpaste.

Are there any dentists out there with tubes of toothpaste to spare?

Donations are sorted and items unsuitable for putting in the shoeboxes are passed on to help 27 local charities. Grimsby is the third biggest export depot of shoeboxes in the country. The evening visit was very interesting and Informative. Hibaldstow's Shoebox appeal is organised by Angela Smith. The target this year is to send over 100 boxes.

In **October** we are having a talk by **Pam Braithwaite** from Brigg about the **Inca Trail**. **November** is a crafting session with **Angela Smith** and hey ho its then our **Christmas Social** evening in **December**.

We are **always** pleased to see **new** members **or** visitors so, if you fancy an evening of pleasant company and a varied programme, **please get in touch!!**

Lindsey Lodge 'Hibaldstow Room' Fund Raising

The final event in the village's year of Fund Raising for the 'Hibaldstow Room' at Lindsey Lodge Hospice, Scunthorpe takes place on **Friday 15th December**. This will be a **Christmas Concert** performed by **The Brigg Singers** at **Hibaldstow Village Hall** starting at **7.30pm**, and it is hoped that the monies raised on the evening will see the

target of **£6000** achieved, with the total being used to refurbish a patient room and purchase a new bed as part of the Hospice's Sponsor a Patient Room programme.

Tickets are priced at **£5** each and **include tea or coffee and mince pies**. And are expected to sell very quickly so to avoid disappointment you can get yours now from either **Church Street Stores** or by calling **David Carrick on 656875**.

There will also be a raffle and Lindsey Lodge merchandise stall where you can buy last minute Christmas gifts and cards.

October / November 2017 Article

On 31st October 1517, a German monk called Martin Luther nailed a piece of paper to a church door in Wittenburg. So began what has come to be called The Reformation. Luther's petition, although initially against dubious methods of fundraising by the Church, grew into a much wider protest against the doctrines and practices of the Roman Catholic Church, which led to the formation of the 'Protestant' churches, including the Church of England. For most people the 500th anniversary of this event will pass unnoticed and unmarked, unlike the 20th anniversary of the death of Princess Diana or the 100th anniversary of Passchendaele. Yet the Reformation had a profound effect not just on the religious beliefs of millions of people but also on the way the world is today.

It has been argued that without the Reformation, the technological and scientific advances of the Enlightenment would not have occurred. Ironically for some atheists the Reformation's rejection of some of the superstitious religious practices of the Mediaeval world has enabled the modern world to reject all religion as superstitious. This is often the way that the relationship between religion and science is framed: superstitious religion vs rational science. The truth however is more complicated. Many aspects of Christianity in particular can be verified, and conversely some scientific theory is based more on ideology than fact. But also religion and science are actually on the same side when it comes to superstition.

The philosopher Roger Scruton has recently spoken about religion and science in contrast with the magical world view of the Harry Potter books. Superstition and magic, Scruton says, are rooted in the belief that we can control the universe, whereas religion and science acknowledge that we can't. A magical outlook arrogantly asserts that anything is possible if you know the right spell, whereas religion and science humbly admit that there are gaps in our knowledge and abilities. Scruton argues that although this magical view is alright in fiction, it is a problem when it also becomes the outlook in real life. From a Christian perspective, the magical world view is not only contrary to reality but also spiritually harmful.

31st October is associated more these days with Halloween than Martin Luther, and I have written in previous years about the dangers of celebrating Halloween. Not only does it open people up to attack from malevolent spiritual forces but in normalising witchcraft and magic it perpetuates this magical outlook on life. In a world of magic, Scruton explains, there is no need for God because we are god: we can control everything. Genesis 3 tells us that Satan tempted Adam and Eve not just to disobey God but to want to be God; that was the original sin and is the defect in all humanity.

Magic promotes the idea that evil can be overcome simply by knowing the right spell. Christianity teaches that evil can only be defeated by God himself: as a prayer from the Book of Common Prayer puts it: "we have no power of ourselves to help ourselves". What Martin Luther reminded us was that God has defeated evil through Jesus' death and resurrection, all we have to do is receive that salvation as a free gift.

Cemetery Charges

The charges have been reviewed and there will be no changes implemented.

In 1857 the "Reformers" opened a small chapel in Hibaldstow, when two sermons were preached to large and attentive congregations. The people had met at a public house for Divine worship, but having notice to quit, another place was necessary. Collections were made on behalf of the trust funds of the chapel.

Best Kept Village 2017 Points

Hibaldstow

		Max	Mark	
1	General Tidiness & Appearance Litter, fly tipping, graffiti, including at bus stops & telephone boxes. General maintenance of hedges, trees, verges, fences, walls, paths and seats.	40	39	There was very little litter seen in any area of the village and hedges and verges were generally tidy. Footpaths were well-maintained. There was no evidence of graffiti in the village.
2	Community Facilities Community centres, village halls, schools, parks, playing fields, churchyards/cemeteries, chapel surrounds, war memorials and public Noticeboards	40	38	St Hybald's churchyard is a most attractive site with mature trees and is generally well-maintained. The church hall has a smart noticeboard. The war memorial on West Street is well-presented given the space available. There is a splendid and very well maintained playing field area to the north of the village which also includes a playground and skateboard ramps. It was also pleasing to see a small football pitch in an area off Greenfield Drive.
3	Gardens & Community Areas Gardens, window boxes, hanging baskets, tubs and planters, community planting, public areas, and allotments	50	47	There were many good examples of community planting in various locations around the village including planting under the signs at the entrances to the village. Residents are to be commended for a number of attractive gardens and hanging baskets. E.g. 47 Redbourne Road, 4 and 20 Hopfield and many gardens on Barley Close and Station Road.
4	Other community features Shops, inns, farmsteads, workshops, business premises, advertisements and signposts.	20	19	The Co-op has an attractive car park area with a bench outside the store. The Wheatsheaf also has some good hanging baskets.

Notes

- (a) Absence of a feature listed in the marking sheet will not entail a loss of marks
- (b) Natural and architectural beauty will not be taken into account

General comments

The parish church at the centre of the village is very attractive and a number of opportunities have been taken to improve the environment with good community planting. The extensive playing field area and good-sized village hall are very valuable facilities.

Individual Category Entries: HIBALDSTOW

This village has also entered the individual category/ies ticked below. Mark in addition to the general marking. If there is no tick, then no separate marking is required.

✓	Category	Max	Mark	Comments
✓	Playground Station Road	50	47	The playground is situated in a large playing field area. There is an extensive range of equipment including 2 skateboard ramps, trim trail and useful instructions on a noticeboard. The playground area also includes a basketball hoop and tennis court.
✓	Churchyard Church Lane	50	46	Mature trees frame a small but attractive churchyard with well-trimmed yew trees being a feature along the south side of the church. Some of the graves need a little attention and the grass is tidy but needed cutting. The path around the church is in a good state of repair but the east gate area is a little overgrown.
✓	Community planting scheme	50	46	As well as the planting by the village signs, attractive planting was seen on Manton Lane, Station Road, Hopfield, St Alban's Close and the floral display at the end of Church Street. Although not extensive, a number of opportunities were used to enhance the environment and contributed significantly to the attractiveness of the village.
✓	War Memorial West Street	50	47	The memorial on the wall of the War Memorial Club is simple but effective with 7 poppy wreaths adding a splash of colour. The stone planter is well-stocked with a range of plants.

HIBALDSTOW HISTORY GROUP

In **July** we were pleased to welcome **Horace Liberty** as our speaker. Horace has been our guest speaker previously and is always entertaining, this time was no exception, his topic was titled 'Understanding Granny's Photo Album' and gave us an insight into dating and placing old photographs

from the information revealed in the photograph itself. This was a really interesting topic and enjoyed by all members who were present. There was no meeting in **August**.

At the meeting on **September 21st** another episode of 'The History of Britain' will be shown and discussed.

At our meeting on the **19th October** we shall welcome **Glyn Coppack** whose subject will be '**Lincolnshire's Lost Monasteries.**'

Glanford and Lindsey Lions Club

Without **YOUR** help we would not be able to assist the worthy causes we do; so a huge **THANK YOU** for the support you give us.

OUR MOTTO SAYS IT BEST – WE SERVE.

Lions Clubs help local communities in a number of ways with every penny collected going direct to good causes. Not a penny is spent on administration. We focus on good deeds and help those who are less fortunate.

The Power of We - As individuals, we can only do so much. But when 1.4 million Lions work together, there is no limit to what we can achieve.

The Power of Service - Making the impossible possible. It all comes down to one thing - service.

The Future is Now - The time to act is now. We can and we will make a lasting impact on our communities and the world.

If you'd like to know more **Just Ask.**

THE FORGE FOOD DONATIONS

We continue to donate food to the Forge in Scunthorpe on a weekly basis thanks to the generosity of Jonathan and Amy at The White Heather.

DISASTER APPEALS

As Texas starts to cope with their floods, heavy rains have paralysed India, Bangladesh, and Nepal. Heavy rain also caused mud slides in Sierra Leone with the subsequent loss of life and destruction of buildings. The Lions Clubs International Foundation responded immediately with grants which will help the immediate relief. When other agencies have left the site of a disaster Lions Clubs International Foundation will still be there because many of our members who administer the aid make up the local community that has been affected. As a Club Glanford & Lindsey are proud to have made a donation to this worthy cause and further funding will be made available to help with the longer term rebuilding.

CENTENNIAL SERVICE CHALLENGE

During our Centennial Year we have;

Collected Batteries

Provided Blood Donations

Contacted the Elderly

Completed Diabetes Walks

Feed The Hungry

Planted Trees and Flowers

Collected Hearing Aids

Funded Hearing Dogs

Provided Measles Vaccinations

Provided Message In A Bottle

Provided Prostate Screening

Collected Spectacles

Recognised over 200,000 volunteer hours of Young Leaders In Service. And much more.

Gardening Club

Hibaldstow

Weather wise it was a nice day on Sunday, 16th July 2017, the day of the Annual Show. The Village Hall was full. The number of exhibitors was up as was the number of exhibits. As usual the exhibits were of a high standard – commented on by one of the judges whose friends (themselves national judges) said what a friendly, lively and thriving show it was.

A highlight of the day – Madison Soper, age 10, was delighted to tell Bryan Sheppard it was her cabbage that had beaten his cabbage into second place.

Well done Madison!

Next year's Show will be held on **Sunday, 22nd July, 2018.**

Photography subjects will be:

- **Wall/s,**
- **Bug/s,**
- **Seedhead/s,**
- **Sea and Sand.**

Many thanks to everyone who had a hand in making this year's show a success, to the exhibitors and to all the people who work behind, and in front of, the scenes.

Date for your diary:

Tuesday, 10th October, 7.30pm

Rudie Bertins

from

Rudies Roots Nurseries, Nettleham

will be giving a talk on '**Hardy Exotics**' in the **Church Hall.**
